The diagram illustrates the relationship between three sets of data:

- Left Set:** Data from 2000 to 2009 (represented by a red box).
- Middle Set:** Data from 2000 to 2010 (represented by a green box).
- Right Set:** Data from 2000 to 2010+ (represented by a blue box).

The relationships are as follows:

- The Left Set is a subset of the Middle Set.
- The Middle Set is a subset of the Right Set.
- The Right Set is the union of the Left Set and the Middle Set.
